## DX

## direx series - bollard -

### Luminaire

Cast aluminum base holds 4 solid aluminum rods. Decorative stabilizer holds straight rods halfway up the bollard. Two spun aluminum rings cover the refractor along with a glare guard. Refractor screws into spun aluminum holder. Top cap is solid cast aluminum.

### Optics

Borosilicate ribbed glass refractor encloses the lamp for type 5 distribution.

### Protection

2" deep threaded holder overlaps the refractor which eliminates the risk of water penetration. The luminaire is fabricated of solid cast aluminum for vandal prone areas.

### Maintenance

Toolfree lamp maintenance with screw on refractor lens. Vandal proof hardware available.

### Electrical

Standard metal halide and high-pressure sodium luminaires are supplied with core and coil CSA/UL listed ballasts. All ballasts are guaranteed for at least 2 years directly from the ballast manufacturer. All components are mounted on a single plate for easy maintenance.

Pulse start metal halide luminaires are supplied with standard uniform pulse start systems suitable for universal lamp mounting. Pulse start systems are guaranteed directly from the manufacturer for a period of 5 years.

Compact fluorescent: All compact fluorescent luminaires are supplied with electronic ballasts. Consult factory for dimming ballast to match controls and ballasts. Where the luminaire uses multiple ballasts, the ballasts are mounted on a single plate and can be individually removed.

Model #	Height	HID(wattage)	CFL(wattage)	Voltage**	Color	Options
DX	30 30" height	50MH-PS*	18DTT	TT tri-tap	CC-Custom Color *** BLK-Black WHT-White SIL-Silver BRZ-Bronze	PC-Photocell F-Fusing
	36 36" height	70MH-PS*	26DTT	MT multi-tap		
	43 43" height	50HPS 70HPS	32TRT 42TRT	120 120 277 208 347 240 277		

\* PS stands for pulse start

\*\* Not all voltages are available for all lamp types

\*\*\*Either supplying factory with a color chip or a RAL number can specify custom color. (Some custom colors will be subject to a small lot setup charge)

Ordering example:

DX-30-50MH-120-BRZ

This would order: Direx bollard 30" of height, 50W MH, 120V, painted bronze.
