## WA44

## large wall art series — Wall mount —

### Housing

The housing, door frame and backplate canopy are all heavy duty cast aluminum construction. Luminaires feature integral ballasts and an array of optics.

### Mounting

The housing assembly simply mounts over a heavy formed aluminum wall plate and is locked in place via a set of screws.

### Optics

Reflectors are formed from polished anodized aluminum for maximum efficiency. Lighting distributions are available as forward, medium forward and wide lateral.

### Protection

The luminaire is completely protected from water and dust in both upright and downlight positions. The tempered glass lens is permanently sealed to the door frame.

### Maintenance

Door frame hinges for quick access to the lamp and/or ballast.

### Electrical

Standard metal halide and high-pressure sodium luminaires are supplied with core and coil CSA / UI listed ballasts. All ballasts are guaranteed for at least 2 years directly from the ballast manufacturer. All components are mounted on a single plate for easy maintenance.

Pulse start metal halide luminaires are supplied with standard uniform pulse start systems suitable for vertical lamp mounting. Pulse start systems are guaranteed directly from the manufacturer for a period of 5 years.

Compact fluorescent: All compact fluorescent luminaires are supplied with electronic ballasts. Consult factory for dimming ballast to match controls and ballasts. In the case where the luminaire uses multiple ballasts, the ballasts are mounted on a single plate and can be individually removed.

Model #	Mounting	HID(wattage)	Distribution	Voltage**	Color	Options

	<b>400MH-PS*</b>		<b>208</b>			
<b>WMU</b> Wall mounted up	<b>250HPS</b>	<b>400HPS</b>	<b>WL</b> Wide lateral	<b>277</b>	<b>240</b>	
				<b>347</b>	<b>277</b>	

\* PS stands for pulse start  
 \*\* Not all voltages are available for all lamp types  
 \*\*\*Either supplying factory with a color chip or a RAL number can specify custom color. (Some custom colors will be subject to a small lot setup charge)  
 Order example:  
 WA44-WMD-100MH-PS-120-BRZ  
 This would order: WallArt series 44, wall mounted down, 100W MH-PS, 120V, painted bronze.
